

Community Corrections

The Ottumwa Residential Corrections Facility provides residential structure to adult offenders in the Iowa Criminal Justice System. The facility has an OWI component which provides intensive intervention/treatment for offenders convicted of OWI 2nd Offense or greater. The facility also provides supervision for offenders on work release from one of the nine adult prisons in Iowa. The facility receives the majority of its clientele as conditions of probation or parole from a local ten county area. Finally, the facility has a contract with the United States Federal Bureau of Prisons to provide transitional services for adult offenders being released for any of the institutions operated by the Bureau of Prisons. The facility provides a variety of treatment and programming in addition to strict accountability. Our Mission is to Protect the Public, the Employees, and the Offenders.
